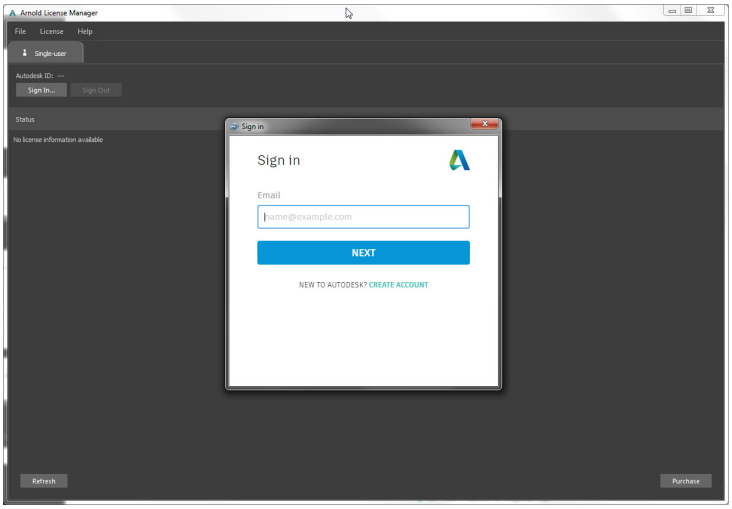
Starting an Arnold trial

1. Open the Arnold License Manager (in the Arnold menu for your Arnold plugin, click **Licensing > Arnold License Manager**)

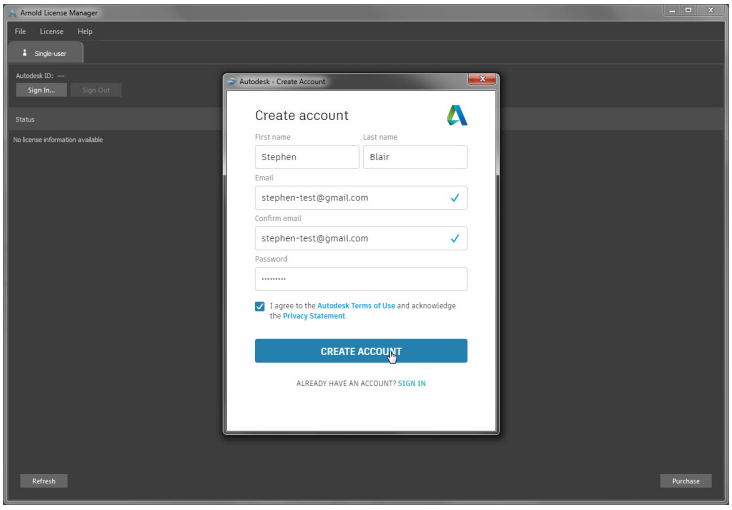
2. If you don't see a **Single-user** tab, click **License > Switch to Single-user Licensing**

3. If prompted, **install single-user licensing** and **register Arnold**.

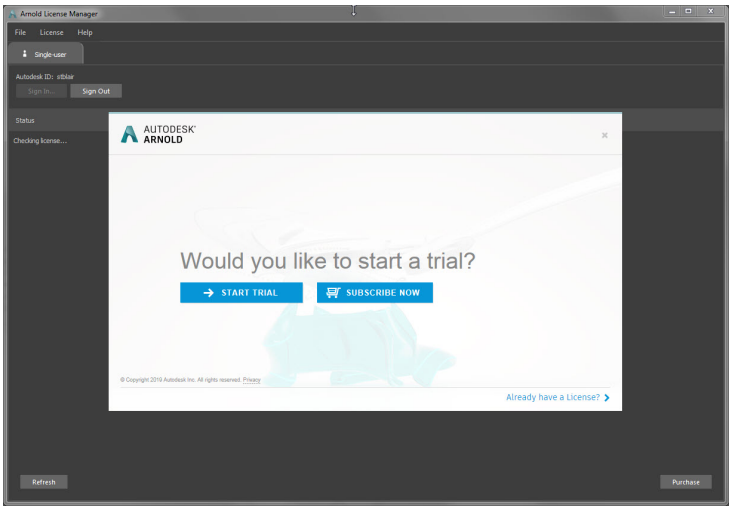
4. Click **Sign In** and enter your Autodesk ID and password.



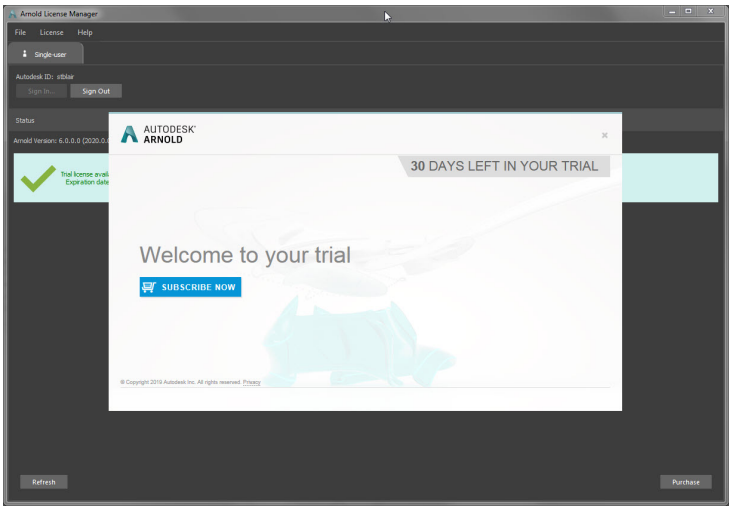
If you don't have an Autodesk Account, click **CREATE ACCOUNT**

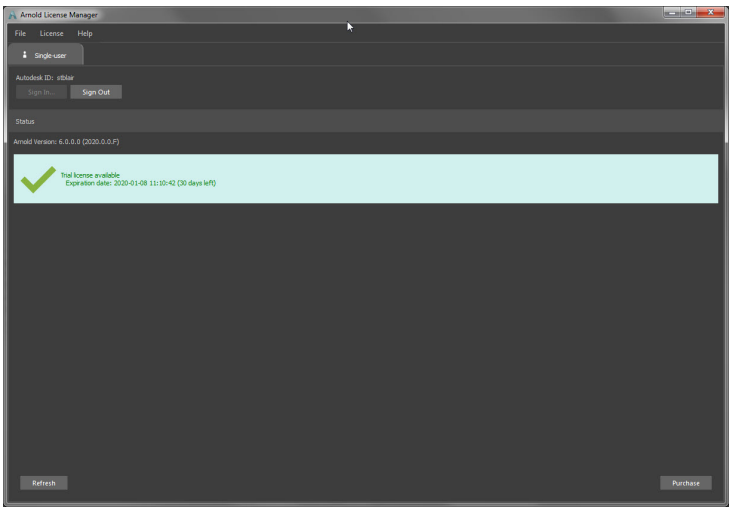


5. After you log in, you can start a trial



6. Click the x icon on the top right corner to close the **Welcome to your trial** dialog box.





7. You'll see the status of your trial license. Happy rendering!
